Marketing

Extended retailer text	<p>Wireless charging</p> <p>With the Flexo Wireless Charging Mat, charging smartphones in your car was never this easy. Simply plug the USB connector into any 2A USB charger, and it will always be ready for duty: just place your Qi-compatible smartphone on the Flexo mat and it will automatically start charging. You never have to bother with lost or forgotten cables in your car again!</p> <p>Flexible design</p>
-------------------------------	---

The mat has an anti-slip bottom and is made of flexible rubber which adapts to the shape of your car's dashboard or centre console. The raised edges will keep your phone in place nicely while driving.

For navigation

It is also possible to put your phone in a horizontal and upright position on the car mat, for a perfect view on your screen. Great for when you use your phone for navigation!

Specifications

Total weight 215 g
