number of ports on your laptop and connect with multiple devices through USB-C, HDMI, USB-A and a network port, and import data using the card reader.

#### Easy Setup And Compatibility

The versatile Trust Dalyx works with every laptop, MacBook and tablet\* that has a USB-C port. The Dalyx allows you to transfer data extra-fast over the two USB-A ports, at a speed of up to 5 Gbps via USB 3.2 Gen 1. There's no need to install software for this handy tool; just plug in & play!

\*Compatibility with Android tablets may vary, depending on USB-C implementation

#### Broad Connectivity

Using a single USB-C port on your device, the Dalyx offers all-round connectivity. Connect your tablet or laptop to a monitor or TV through the HDMI port to watch films and view photos in 4K Ultra HD. Connect to a wired network via the Gigabit Ethernet port for a stable and super-fast connection. Import your photos via the card reader, charge your laptop on the side with the USB-C PD (Power Delivery) port and add other devices like your keyboard and an external drive using the USB-A ports.

#### Stylish Office and Travel Essential

The adapter comes in a durable die-cast aluminium alloy housing, making for a stylish addition to your desk setup and work kit, whilst its compact design makes it perfect for travelling. If you need to connect with various devices away from home, the Dalyx is your go-to office and travel essential.
