**Extended retailer text**

Go for a full-range sound experience with the Trust GXT 668 Tytan 2.1 soundbar speaker set. The power of this giant in sound speaks through your PC, TV and console. Connect this set to your preferred medium and you will hear and feel the sounds at an ultimate level. Say farewell to a mediocre sound experience and enjoy the free voucher for the PC standard edition of Ubisoft's The Division 2® included in this bundle to the max!

**Boost your sounds**

The 120W power will fill your entire room with full-range sounds. The soundbar features an optical input for high-quality digital sound with 4 integrated speakers. The wooden subwoofer gives that boost to your sound and intensifies your gaming experience. You will blast everyone away with this intense sound engine.

**Perfect control**

The GXT 688 comes with a remote control to easily adjust the settings to your preference. Easily switch the equalizer with pre-defined settings from normal to music, game or movie mode. The sound reproduction is now perfectly set for your activity. You can sit back and relax with your favourite music, games and movies.

**Set-up design**

The sound is complemented by refined design. The Trust GXT 668 with pulsating LED illumination on the subwoofer is made to easily fit under any PC screen or in any living room console set-up. Whether you're watching TV or playing on your PC or console, any device with an optical (SPDIF) or 3.5mm audio output can be connected.

**Smart power management**

The speaker automatically turns to standby mode after 60 minutes when not in use for smart power management. To ensure uninterrupted playtime, it will turn back on automatically. The Smart Power Management can be turned off when in need of full power constantly.

**The Division® 2**

Developed by Ubisoft Massive and the same teams that brought you Tom Clancy's The Division®, Tom Clancy's The Division® 2 is an online open world, action shooter RPG experience set in a collapsing and fractured Washington, D.C. This rich new setting combines a wide variety of beautiful, iconic, and realistic environments where the player will experience the series' trademark for authenticity in world building, rich RPG systems, and fast-paced action like never before. Play solo or co-op with a team of up to four players to complete a wide range of activities, from the main campaign and adversarial PvP matches to the Dark Zone – where anything can happen.
