All active Division agents can now save the capitol with fitting gaming gear!

Soundly in control

Hard-fought wins and dramatic losses are part of every gaming career. Give yourself a solid sound base with the 50mm speaker units and handle every situation victoriously. The virtual 7.1 surround sound makes sure you are aware of everything happening around you: anticipate your enemy's every move!

Unplugged gaming experience

The headset works wirelessly within a range of 15 meters. Simply plug the USB receiver into your PC, laptop or PS4 and you can immediately start gaming. Don't worry about an empty headset during those marathon gaming sessions, you can play for 18 hours straight without recharging the headset.

Plug & Play

This headset comes with a 1-meter audio cable with 3.5mm jack plug with a 1-meter extension cable to make a wired connection. In this way, you can plug it into all your devices such as your PC, laptop, Xbox, PlayStation or Switch. The package also includes a micro USB cable to charge the headset.

Illuminated communication

This Magna headset has a strong and solid design. The built-in microphone and integrated blue LED illumination on the sides will complete your gaming set-up. The microphone makes crisp and clear communication possible. Have fun with your friends and improve your team's in-game tactics.

Long lasting comfort

The headset comes with soft and comfortable over earpads. On the earcups, you'll find the volume control, audio mode select and volume/microphone mute switch. You don't have to bother with adjusting the headband, its elasticity makes sure the headset is always perfectly suited to your head.

Limited-edition mouse pad

The package includes a limited-edition mouse pad in Division 2-style to complete your gaming set-up. The non-slip rubber bottom and surface texture for optimal accuracy work with all mouse sensitivities and sensors. You are ready to move smoothly through the open world of The Division 2.

The Division® 2

Developed by Ubisoft Massive and the same teams that brought you Tom Clancy's The Division®, Tom Clancy's The Division® 2 is an online open world, action shooter RPG experience set in a collapsing and fractured Washington, D.C. This rich new setting combines a wide variety of beautiful, iconic, and realistic environments where the player will experience the series' trademark for authenticity in world building, rich RPG systems, and fast-paced action like never before. Play solo or co-op with a team of up to four players to complete a wide range of activities, from the main campaign and adversarial PvP matches to the Dark Zone – where anything can happen.
