Comfort Is Key

This headset is so comfy, you might even forget that you have it on. With an adjustable headband to perfectly fit your head and super soft over-ear pads, you can comfortably wear the GXT 390 Juga Wireless Gaming Headset during every intense gaming session.

On-Ear Control

With the most prominent functions so easily accessible on the earcup, you have intuitive control. Quickly turn down the volume or switch off the headset. The fold-away mic is controlled just as simply; it automatically mutes when moved upwards.

Don't Miss a Sound

The powerful 50mm speaker units make sure you won't miss even the smallest of sounds – crucial for making split-second decisions. Crisp and clear highs blend with a thundering bass to amplify your game.

10 Meter Wireless Freedom

Are you the jumping kind when fully engaged in the game? Then wireless is your friend. Enjoy a generous 10 meter wireless range and have at it as you're progressing through the ranks.
