Package contents	- Gaming mouse - Gaming sticker
System requirements	- PC / Laptop with USB port - Windows 10, 8, 7

## Marketing

Extended retailer text	<p>High-Performance and Customisable RGB Mouse</p> <p>With a high-performance optical sensor, adjustable LED lighting and on-board memory for saving your personalised settings, the GXT 900 Qudos RGB Mouse helps you perform at your best.</p> <p>Work with Meticulous Precision and Speed</p> <p>A fraction of a second can make all the difference. That's why Qudos is designed to be highly responsive with a 1 ms response time. Furthermore, its high-performance optical sensor ensures meticulous precision. So you won't ever misclick or mishit.</p>
------------------------	--

RGB Lights to Amplify Your Game

Bring more colour into your play with RGB LED lights. Illuminate your path through the game and pick the right mood-setting hue from 16.8 million colours, or opt for the rainbow wave for an eye-catching effect.

Personalise for the Best Results

You know best how to perform at your utmost. That’s why with Qudos you get to fully personalise the 7 programmable buttons and RGB light effects. The innovative software allows you to create 12 gaming profiles and the on-board memory makes sure your favourite profile is not lost when connecting it to another rig.

Comfort Is Key

Keeping up your performance over long sessions is easy with Qudos. The smooth, low-friction gliding pads streamline your every move; no slip of the mouse here. Kudos ensures an extremely comfortable gaming experience for hours on end.

Specifications

Total weight	105 g
