The Speaker to Boost Your Party

No party ever got started without the right beat. The Trust Klubb MX GO 160W Bluetooth Party Speaker with RGB Lights brings the beats to you and your friends. Super powerful sound, wireless audio connection via Bluetooth, portable design and a colourful LED lightshow to accompany your moves; this is your ultimate party starter.

Booming Beats in a Mobile Design

With the Trust Klubb MX GO 160W Bluetooth Party Speaker with RGB Lights your party tunes get a high-quality audio upgrade. Catch the attention of all your friends with the powerful sound of its 160 Watt peak power. Plus, this powerhouse comes in a portable design with grips, wheels and retractable trolley handle so you can easily move the speaker around. Just plug in the power cable and dance!

Bluetooth Party Sound

You and your friends can wirelessly connect your devices to the speaker. Take turns playing music from a Bluetooth device and conveniently place your tablet or smartphone in the built-in tablet holder on top of the speaker. With the Wireless Link function you can even connect two of these speakers via Bluetooth for a wide stereo sound.

Super Compatible with Various Audio Inputs

Whether you go for wireless or wired sound is up to you. The Trust Klubb MX GO 160W Bluetooth Party Speaker with RGB Lights works with various audio devices; operate the speaker from your phone, tablet, computer or any other audio device to play your music. You can choose to play via Bluetooth, USB, aux input or micro SD.

Light it up!

Highlight your moves with the speaker's integrated light experience. The Klubb MX GO boasts illuminated drivers, a ceiling light and a strobe light, with LED lights in RGB colours that change to the rhythm of the music. Select your favourite colour setting with buttons on top of the speaker and light it up!

Go Big with Extra Party Features

Your party should be one to remember, so we've added a few crucial party tricks. For example, there's the bass boost button for an instant thundering bass effect and if your favourite song comes on, you can quickly access the volume with a control knob on top of the speaker. Plus, you can cheer on your friends or go karaoke-style with the microphone input – with an epic echo function.
