| <b>Product type</b>        | Coluna Bluetooth® potente                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| <b>Colour</b>              | Preto                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Key features</b>        | - Formato portátil, ideal para utilizar em viagem - Som estéreo rico e potente para envolver todos os amigos (20 W RMS) - Ligue duas colunas sem fios para dar ainda mais potência à sua festa - Leve-a nas suas voltas ou para a piscina: resistente à água (IP67) - Até 15 horas de autonomia com um só carregamento - Carregue rapidamente 100% a sua coluna em apenas 2 horas (é necessário um carregador USB de parede de 10 W) - Faça chamadas com microfone integrado |
| <b>Package contents</b>    | - Coluna de som Bluetooth - Cabo de carga USB-C - Cabo auxiliar - Guia do utilizador                                                                                                                                                                                                                                                                                                                                                                                         |
| <b>System requirements</b> | - Dispositivo Bluetooth - Saída auxiliar (3,5 mm) - Micro SD - Carregador ou porta USB                                                                                                                                                                                                                                                                                                                                                                                       |

### Specifications

|                                       |       |
|---------------------------------------|-------|
| <b>Total weight</b>                   | 500 g |
| <b>Weight of main unit</b>            | 490 g |
| <b>Height of main product (in mm)</b> | 60 mm |

---

**Width of main product (in mm)** 185 mm

---

**Depth of main product (in mm)** 50 mm

---

**Hands-free phone calls** true

---

**NFC** false

---

**Power saving** true

---

**Tripod mount** false

---

**Bluetooth version** 5.0

---

**Wireless range** 10 m

---

**Bluetooth** true

---

**Driver size** 48 mm

---

**Driver units** 2

---

**Frequency response** 20 - 20.000 Hz

---

**Headphone connection** false

---

**Microphone built-in** true

---

**Microphone connection** false

---

**Power output (peak)** 40 W

---

**Power output (RMS)** 20 W

---

**Audio output** None

---

**True Wireless Stereo (TWS)** true

---

|                                     |                   |
|-------------------------------------|-------------------|
| <b>Speaker impedance</b>            | 4 Ohm             |
| <b>Input impedance</b>              | 10.000 Ohm        |
| <b>Lights</b>                       | false             |
| <b>Waterproof</b>                   | true              |
| <b>Battery life (months)</b>        | 36 month          |
| <b>Battery type (AA, AAA, etc.)</b> | 18650             |
| <b>Max battery life - music</b>     | 15 hours          |
| <b>Number of batteries</b>          | 1                 |
| <b>Power cable detachable</b>       | true              |
| <b>Rechargeable battery</b>         | true              |
| <b>Battery capacity (mAh)</b>       | 1.800 mAh         |
| <b>Battery voltage (V)</b>          | 7,4 V             |
| <b>Battery capacity (Wh)</b>        | 13,32 Wh          |
| <b>Compatible Device Types</b>      | Bluetooth devices |
