Marketing

Extended retailer text	<p>Lights, Speed, Mouse Action</p> <p>The Xidon is built for proper mouse action. With an optical sensor, a 10.000 DPI resolution and full RGB LED lighting, you're in for some serious gaming.</p> <p>Faster than Lightning</p> <p>With a DPI of up to 10.000, you'll be faster than lightning. The Trust GXT 940 Xidon RGB Gaming Mouse is especially made for speed. Use the higher DPI settings for fast exploration of your surroundings or slow it right down to make precise sniper shots.</p>
------------------------	---

Comfort is Key

The streamlined design of the Trust GXT 940 Xidon RGB Gaming Mouse is built for comfortable operation – hour after hour. Its shape provides optimum comfort and the textured thumb rest with rubber coating improves your grip.

Guiding Light

The streamlined design of the Xidon is amplified by colourful RGB to light up your gaming experience. The fully adjustable RGB lighting comes in over 16 million colours and multiple effects - from breathing to jumping RGB. Select your favourite light mode and save your pre-sets with the included software.

Personalisation on Demand

You know how to win the game, so design the settings your way with the included advanced software. You can program the buttons, macros and save your light effect preferences; get into the winning zone the moment you plug in the mouse.
