Marketing

Extended retailer text	<p>Comfortable Typing Experience</p> <p>The Trust TK-100 Keyboard is designed with the office in mind. Thanks to its low-profile keys, users can enjoy a comfortable typing experience, even when working long hours. With extra buttons for power, wake and sleep, the workflow is made even more efficient.</p>
------------------------	---

Spill-Resistant

The keyboard has a liquid-draining design, so any accidental spills won't do it any harm. This sturdy design with rugged height-adjustable feet is built to last.

Sustainable packaging

The packaging of the TK-100 is made with sustainability in mind: it's made from 100% recycled material. Besides that, it's easy to open, so users can start typing right away.
