sturdy holder with a magnetic front. The holder clamps easily onto your car's air vent. An extra adhesive pad is included to use as a spare or on a second phone.

Universal Phone Holder

The Runo Magnetic is a universal phone holder for phones of all major brands, such as Apple, Samsung and Huawei, and is compatible with most types of air vents, offering an all-round solution to phone placement in your car. Thanks to its strong magnet, it firmly holds your phone even with its case on.

Convenient Control

The Trust Runo Magnetic Car Air Vent Phone Holder is extremely convenient to use. All phone buttons and connectors are easily accessible, so you have a clear view on and access to your screen.
