## Marketing

<b>Extended retailer text</b>	Wireless Multitasker If you're looking for a versatile keyboard for your home and office, the Trust Nado is for you. It's wireless, compact and compatible with most digital devices; a multitasker that ticks all the boxes.
-------------------------------	--

#### Minimalist Design

This ultra-thin and lightweight keyboard will make a stylish addition to your home office setup or digital-ready living room. Its low-profile, isolated keys give it a minimalist and sleek style; typing will become a breeze.

#### Triple Pairing

The Nado is ideal if you want to enjoy the freedom of operating multiple devices at once. Its triple pairing functionality allows you to connect up to three devices to the keyboard, such as your laptop, smartphone and tablet, making it easy to switch between them.

#### Convenient Control

With twelve multimedia function keys\*, you'll have shortcuts to your favourite functions at your fingertips. Easily switch between the most used functions for each Operating System, whether you're connected to your Windows PC, iPhone or Android device. You'll have quick access to device controls for iOS and Android such as your home button, you can adjust your screen brightness, activate the search function, take snapshots, control your media or lock your device. Thanks to a ten meter wireless Bluetooth range, this control works all around the room.

*\*Compatibility of function keys varies between OS*
