Marketing

Extended retailer text	<p>Are you a vlogger, singer, gamer or do you just love to Skype or chat with your friends all day? Then you need a great microphone! With the Mico microphone, you can easily record and connect to reach the rest of the world.</p> <p>For PC and Laptop</p> <p>The Mico includes a 3.5mm and a USB connection, which is compatible with any PC or laptop. Plug in the 3.5 mm jack cable or USB and instantly start chatting, singing or recording. The Mico is equipped with a tripod on which the microphone can be placed. This tripod comes in one piece, so you do not need to assemble anything.</p>
-------------------------------	--

Adjust the angle of the Mico to put it in your preferred position. You don't want to be stuck behind your desk? The Mico can also be used without the tripod, by simply holding the microphone in your hand. Thanks to the 180cm cable, you can really perform, dance and make your own party.

Noise cancellation

Whether you are a vlogger or a singer, with the noise cancellation of the Mico you can create a great video or song without having to edit it afterwards. The Mico only needs one recording to deliver clear and high-quality sound.
