| <b>Product type</b>        | Mocny i wytrzymały głośnik Bluetooth®                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Colour</b>              | Black                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Key features</b>        | - Interesująca i wytrzymała konstrukcja z trwałym materiałem i gumową ochronną obudową - Bogaty i mocny dźwięk stereo przyciągnie wszystkich znajomych - Możliwość bezprzewodowego połączenia dwóch głośników dla jeszcze lepszej imprezy - Wodoodporny (IPX7) - na stok i na basen - Czas pracy na jednym ładowaniu: do 12 godzin - Szybkie ładowanie głośnika w 3 godziny (wymagana ładowarka sieciowa USB 10 W) - Różne sposoby odtwarzania muzyki: Bluetooth, microSD i wejście aux - Wbudowany mikrofon pozwala rozmawiać przez telefon |
| <b>Package contents</b>    | - Głośnik Bluetooth - Kabel USB-C do ładowania - Smycz - Kabel aux - Instrukcja obsługi                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
| <b>System requirements</b> | - Urządzenie z technologią Bluetooth, wyjściem aux (3,5 mm), microSD - Ładowarka sieciowa lub gniazdo USB                                                                                                                                                                                                                                                                                                                                                                                                                                    |

### Specifications

---

|                                       |                |
|---------------------------------------|----------------|
| <b>Weight of main unit</b>            | 553 g          |
| <b>Height of main product (in mm)</b> | 180 mm         |
| <b>Width of main product (in mm)</b>  | 80 mm          |
| <b>Depth of main product (in mm)</b>  | 80 mm          |
| <b>Hands-free phone calls</b>         | true           |
| <b>NFC</b>                            | false          |
| <b>Power saving</b>                   | true           |
| <b>Tripod mount</b>                   | false          |
| <b>Bluetooth version</b>              | 5.0            |
| <b>Wireless range</b>                 | 10 m           |
| <b>Bluetooth</b>                      | true           |
| <b>Driver size</b>                    | 45 mm          |
| <b>Driver units</b>                   | 2              |
| <b>Frequency response</b>             | 20 - 20.000 Hz |
| <b>Headphone connection</b>           | false          |
| <b>Microphone built-in</b>            | true           |
| <b>Microphone connection</b>          | false          |
| <b>Power output (peak)</b>            | 40 W           |
| <b>Power output (RMS)</b>             | 20 W           |

|                                            |                   |
|--------------------------------------------|-------------------|
| <b>Audio output</b>                        | None              |
| <b>True Wireless Stereo (TWS)</b>          | true              |
| <b>Input impedance</b>                     | 10.000 Ohm        |
| <b>Lights</b>                              | false             |
| <b>IP Code (International Protectio...</b> | IPX7              |
| <b>Waterproof</b>                          | true              |
| <b>Battery type (AA, AAA, etc.)</b>        | 18650             |
| <b>Max battery life - music</b>            | 12 hours          |
| <b>Number of batteries</b>                 | 1                 |
| <b>Power cable detachable</b>              | true              |
| <b>Rechargeable battery</b>                | true              |
| <b>Battery capacity (mAh)</b>              | 4.400 mAh         |
| <b>Battery voltage (V)</b>                 | 3,7 V             |
| <b>Battery capacity (Wh)</b>               | 16,2 Wh           |
| <b>Compatible Device Types</b>             | Bluetooth devices |
