for further personalization. Whether you're taking out your virtual racing car for a spin, or commanding an army towards crucial battlefields, this keyboard is your companion towards next level gaming.

Full-size accuracy

The keyboard has a full-size layout meaning that it is optimally designed for fast key entry. The GXT 840 has anti-ghosting technology to ensure you can game fast and accurately: it can register up to 8 key presses simultaneously. The Myra is designed for ultimate ergonomic comfort during those long gaming sessions. It is your ammunition to start your eSports career.

Press to control

The Myra features 12 direct access media keys. The control of your media is now at your fingertips. You can even play and pause music, start a search or change pages directly with the dedicated keys on the keyboard. The special game mode switch ensures that you will not return to your desktop accidentally when hitting the Windows key since it is disabled during your gaming sessions. You will stay focused the entire way to the top.
