System requirements	- Windows 10 or 11 - macOS 10.15, 11, 12 - Chrome OS - USB port

Marketing

Extended retailer text	<p>Call with Quality Sound and Video</p> <p>This webcam is built to deliver pixel-clear video and disturbance-free audio. Two integrated microphones pick up the speaker's voice clearly and allow you to take meetings in QHD resolution (2560x1440) at 30 frames per second. The webcam also supports 720p HD and 1080p Full HD resolutions, ensuring compatibility with any device.</p>
-------------------------------	--

Wide Angle and Autofocus

With a wide-angle glass lens, the TW-250 is well suited to having group meetings. The 80-degree angle covers a wider area than a standard lens, so more than one person can fit in the video frame without moving or adjusting the camera position, while autofocus ensures sharp visuals at all times.

Plug & Play Features

The Trust TW-250 is the trusted tool for communication with colleagues, partners and clients worldwide and can be used with all the major video-conference software such as Skype, Teams and Zoom. Shock-free video is guaranteed even in a (home) office setup; with the included universal stand the camera can easily be attached to your monitor or placed on your desk, or mounted on a tri-pod stand (not included) using the ¼" thread. An LED indicator at the front of the camera shows the status of the webcam.

Specifications

Total weight	127 g
Weight of main unit	85 g
Height of main product (in mm)	50 mm
Width of main product (in mm)	90 mm
