| Key features          | - Full-size keyboard with quiet, low-profile keys for optimal efficiency and productivity - LED illuminated easy-to-read keys for convenient typing no matter the time of day - Adjust the brightness and switch the light on/off via the Fn keys - A spill-resistant design provides you with worry-free working - Stable fold-out feet allow you to adjust the height of the keyboard to your preference - Simple plug & play connection via the attached 180cm USB-C or USB-A cable |
| Package contents      | - Illuminated keyboard - User guide                                                                                                                                                                                                                                                                                                                                                                                                                                                    |
| System requirements   | - Windows 11 - macOS 14, 15 or 26 - USB-C or USB-A port                                                                                                                                                                                                                                                                                                                                                                                                                                |

## Specifications

|                     |       |
|---------------------|-------|
| Total weight        | 556 g |
| Weight of main unit | 526 g |

|                                |                                |
|--------------------------------|--------------------------------|
| Height of main product (in mm) | 22 mm                          |
| Width of main product (in mm)  | 436 mm                         |
| Depth of main product (in mm)  | 184 mm                         |
| Ergonomic design               | No                             |
| Key technology                 | membrane                       |
| Spill-proof                    | Yes                            |
| Wrist support                  | No                             |
| Silent keys                    | Yes                            |
| Full Size keyboard             | Yes                            |
| Indicators                     | Caps-lock Num-lock Scroll-lock |
| Life time of key               | 5.000.000 presses              |
| Number of keys                 | 104                            |
| Programmable keys              | No                             |
| Special keys                   | FN keys                        |
| Numeric Key Pad                | Yes                            |
| Trackpad                       | No                             |
| Connection type                | wired                          |
| Connector type                 | USB-A USB-C                    |
| USB version                    | 2.0                            |

|                               |           |
|-------------------------------|-----------|
| Bluetooth                     | No        |
| Designed for gaming           | No        |
| Backlight                     | Yes       |
| Power source                  | USB       |
| Compatible Device Types       | laptop pc |
| Compatible Software Platforms | Windows   |
