Package contents	Cámara IP wifi para exteriores Adaptador de corriente Antena wifi Material de montaje Manual
System requirements	Red wifi doméstica Conexión al suministro de corriente

Specifications

Total weight	456 g
---------------------	-------

Weight of main unit	542 g
----------------------------	-------

Height of main product (in mm)	84 mm
---------------------------------------	-------

Width of main product (in mm)	67 mm
--------------------------------------	-------

Depth of main product (in mm)	97 mm
--------------------------------------	-------

Sensor resolution	1/2.7
--------------------------	-------

Input frequency of main device	50 Hz 60 Hz
---------------------------------------	-------------

Power input type (W)	12 W
-----------------------------	------

Wireless protocols	RF 2.4GHz
---------------------------	-----------

Wireless range	20 m
-----------------------	------

WiFi frequencies supported	2.4 GHz
-----------------------------------	---------

WiFi standards supported	a b g
---------------------------------	-------

Microphone	false
-------------------	-------

Detection grid	true
-----------------------	------

Lens angle	90 degrees
-------------------	------------

Night vision	true
---------------------	------

Night vision range	20 m
---------------------------	------

Talk back	false
------------------	-------

Face recognition	false
-------------------------	-------

Face tracking	false
----------------------	-------

Max Framerate	25 fps
----------------------	--------

Motion detection	true
-------------------------	------

IP Code (International Protectio...	IP66
--	------

Wireless transmission power (dBm)	2 dBm
--	-------

Power plug type	EU
------------------------	----

Power output	false
---------------------	-------

Mains plug grounded	false
----------------------------	-------

Power cable length	70 cm
---------------------------	-------

Input frequency	50 Hz
------------------------	-------

Input voltage	230 V
----------------------	-------

Power adapter included	true
-------------------------------	------

Power adapter output current	1 A
-------------------------------------	-----

Power adapter output power	12 W
-----------------------------------	------

Power adapter output voltage	12 V
-------------------------------------	------

Firmware OTA updateable	true
--------------------------------	------

Network communication protocols	UDP TCP
--	---------

Compatible Software Platforms	iOS Android
--------------------------------------	-------------

Google home compatible	true
-------------------------------	------

Google assistant compatible	true
------------------------------------	------
