- Кабель micro-USB для зарядки
- Аудиокабель с разъемом 3,5 мм
- Руководство пользователя

System requirements

- Смартфон или планшетный ПК с поддержкой Bluetooth или с аудиоразъемом 3,5 мм.

Wireless connection

Listen to your favorite tracks and create your own party with the Dixxo Delta Speaker. The speaker can easily be connected to your smartphone or tablet via Bluetooth (10m wireless range). No Bluetooth available? Don't worry, connect the speaker via a 3.5mm cable or plug in a micro-SD card/USB stick and your music is picked up by the integrated MP3 player. The built-in microphone allows you to pick up phone calls while listening to music and answer the call directly via the speaker.

LED Light Show

Are you still not in a party mood? The Dixxo Delta Speaker provides a LED Light Show with multiple effects that can react and move to the rhythm of your music! Choose your favorite beat and the speaker will do the rest!

Portable Design

Thanks to its portable design you can take the Dixxo Delta Speaker with you wherever you go. Easily take the speaker with you when you are travelling. Because of its rechargeable battery it will last up to 8 hours, depending on the volume and light show. Take your music with you wherever you go. Whether you are going to the park, the beach or going on a road trip, the Trust Dixxo Delta speaker is the ideal solution with its compact size and powerful sound (8W).
