SOFTWARE

## All the way to the top

Champions are not made in one day: to reach that top, it takes hours and hours of practice. You need a mouse that fits like a glove to stay on top of your game. The Haze with its ergonomic form factor sits perfectly in the palm of your hand. It has smooth low-friction metal gliding pads for comfortable gaming for hours at a time. After all, you are only as fast as your own reflexes.

**Get ready!**

## Perfect creation

Every player has their own weapon of choice. Use the advanced software to program the buttons and macros for perfect internal mouse settings. The mouse features 6 programmable buttons allowing you to combine a series of actions into a single click macro. Create your own special combinations and surprise your enemies. They won't know what hit them!
