### Dedicated control

Easy does it: the Thoza keyboard has 13 multimedia function keys that allow you to adjust the volume, go to the next song or start a search with just one click of a button. The low-profile keys with soft keystroke give you an easy, comfortable typing experience. And this is not all, the foldable feet, full-size layout and palm rest make sure you can work ergonomically.

### Compact accuracy

The set comes with a compact, wireless mouse. The mouse has an ambidextrous form factor which allows right-handed as well as left-handed people to use this mouse. This 1.000 dpi optical sensor makes sure you can do your everyday work quickly and accurately.

### Set to work

Want to use the Trust Thoza set? Thanks to the USB micro-sized receiver, you are able to connect both devices at the same time. The receiver allows the Thoza set to work wirelessly within a range of 10 meters. When you are finished using it, you can easily store the receiver in the mouse or simply leave it in your laptop or PC.
