## Shining armour

The Asta keyboard features 7 rainbow wave colour modes with adjustable brightness. This makes it the preferred gear for those intense gaming sessions.

## Forged for convenience

The Asta is forged to combine style with convenience. The 11 direct access media keys give you the possibility to adjust volume, start a search or open your email with just one push of a button. The keyboard also has a cable channel for optimized cable management and anti-slip rubber feet to give you the stability to build your skills all the way to the top!

## Advanced design

This gaming mouse has a symmetrical design which makes it suitable for all gamers, left or right-handed. It also has textured sides for extra grip during long gaming sessions. To prevent your cable from twisting, the mouse has a 1.8m nylon braided USB cable. Get ready for some gaming fun!

## Breathing colours

The unique design of the alluring top cover illumination will draw your enemies in your web. The colours are connected to your dpi settings; 800 dpi gives you a breathing red light, 1200 dpi comes with a breathing blue light, 2400 dpi for green and 4000 dpi gives you fuchsia illumination.
