Powerful entertainment

Access the world of entertainment with the Zelos 2.1 speaker set. Connect these speakers to your PC, laptop, TV, smartphone or tablet and they will blast all your favourite sounds at full impact. The 100W peak power (50W RMS) combined with the wooden subwoofer makes this GXT 648 speaker packed with rich and powerful sound. Experience the full force sounds of your latest games, movies and music.

Control and persevere

Use the wired remote control to adjust the volume or to connect your smartphone, tablet or headphones to the Zelos speaker. On the subwoofer, you will find extra volume and bass control for easy access at all times. You can fully dedicate yourself to your game with the perseverance of the Greek god Zelos himself.

Smart power management

The GXT 648 has built-in Smart Power Management to save on energy. The speaker automatically switches to standby when not in use for 30 minutes and automatically turns on when you start your quest for victory again. Turn the Smart Power Management off when you need full power constantly.
