What's in the box

- Su geçirmez çanta
- Omuz askısı

Get out!

Calling out all adventurers and beach lovers! You don't have to worry anymore about getting your belongings wet with the Palma waterproof bag. The lightweight and durable waterproof design make sure you can take this bag wherever your feet, gear and imagination take you! Whether you're going spelunking, canoeing or going on another adventure, this bag protects your gear from water, dust, sand and dirt. With its 15L storage space (570mm high x 220mm diameter), it is the ideal travel companion for all your outdoor trips and relaxing holidays on the beach.

Safe storage

The bag is super easy to use: put all your belongings in the bag, roll the top of the bag down tightly 3 or 4 times, clip the buckles and you're ready to go! Your phone, tablet, wallet and other belongings are now protected against water damage. If you need quick access to items which need not be stored in the waterproof compartment, the bag comes with an extra splash proof front pocket with zipper and light reflecting zipper edge.

Light travels

The PVC coating mesh is durable and made for heavy use. The Palma comes with an adjustable and removable shoulder strap for easy carrying of the bag. It is lighter than any conventional shoulder bag and can be rolled up in a space-saving manner when empty. It will even float when it accidentally falls into the water.
