## Universal headset stand to safely store your gaming headset

Give your headset its own designated place on your desk and keep your workspace clean and organized with the GXT 260 Cendor Headset Stand. This universal stand will safely store any gaming headset with a height up to 24cm.

## Stand up!

You don't have to worry anymore about compressed earcups or starched headbands: the Cendor will keep the natural shape of your headset. The stand has a unique design as well as rubber top and bottom pads to provide the extra grip you are looking for. Keeping organized after a long gaming session was never this easy!
