Silent typing

Looking for a full-size keyboard with numeric pad that doesn't bother anyone with its sounds while you're working? Whether it is at home or in the office, the Erou Silent Keyboard comes with a silent keystroke for quiet typing at all times.

Optimal comfort

Thanks to the low profile keys with a soft and quiet keystroke, you are ensured of maximum grip and optimal, long-lasting comfort. Easily adjust the typing angle by folding the feet of the keyboard, the rubber pads on the bottom of the keyboard will assure a stable position on your desk.

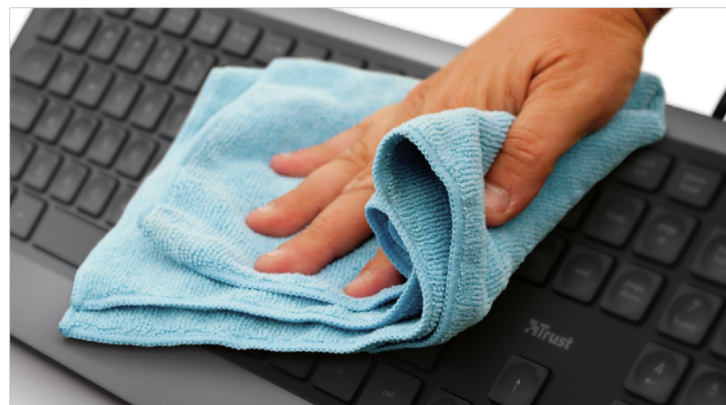

Multifunctional keys

The Erou keyboard offers you 13 multimedia functions that can come in handy any time. These functions allow you to adjust volume, start a search, go to your homepage and open your email with just one click of a button. Simply connect the 1,5m cable and get work done!

Clean keyboard policy

Apart from having a full-size layout and numeric pad, the Erou keyboard has isolated keys. This means that the keys can easily be cleaned. In this way, you can enjoy this keyboard for a long time to come.
