## A High Speed Power Boost

Thanks to the QuickCharge 3.0 technology, the Trust Primo Ultra-Fast Powerbank 20.000 mAh is a lightning-fast fix for an empty battery. With an extra high capacity for up to 8 phone recharges and the ability to charge three devices at once, it will be there for you again and again.

## Maximum Power

The powerbank's smart technologies will always charge your devices at the highest supported speed\*. For example, an empty phone battery can be back at 50% battery in just half an hour. You can rest easy: with the Primo powerbank, you'll always have the perfect back-up power to quick-charge your phone to last for hours.\*Fast-charge with up to 18W power via Power Delivery and QuickCharge 3.0. Charging speed varies between devices

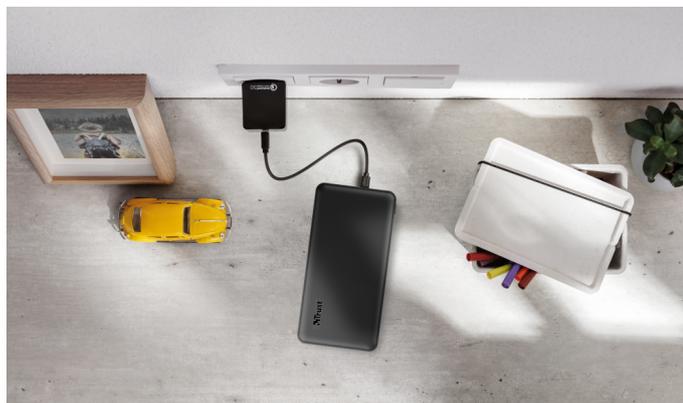

## Capacity to Amaze

With a 20.000 mAh capacity, this device really puts the 'power' in 'powerbank'. You'll be able to charge your phone up to 8 times: this means up to 92 extra phone hours, or up to 23 extra hours on your tablet.

## The Compatible One

It doesn't matter if you have an Apple, Samsung, Huawei or any brand: the powerbank is compatible with all smartphones, tablets and other USB-powered devices such as Bluetooth speakers, wireless headphones and cameras. And thanks to the two USB-A ports and one USB-C port, it's possible to charge three devices at the same time.

### Know When to Charge

Don't worry about the powerbank's battery being empty unexpectedly, it has a smart LED indicator that tells you when it's time to recharge. The included micro-USB cable or the USB-C port allow for a fast recharge, quickly making sure the powerbank is ready for action again.
