3-in-1 Charge and Sync

The Keyla Extra-Strong 3-In-1 USB Cable: USB C / Micro-USB / Lightning is the perfect accessory for the office or at home. It enables you to simply connect any device with a USB-C, micro-USB or Lightning port (such as your phone, E-reader or camera) to your computer, laptop or other device with a USB port. So you can start charging or transferring data straight away.

Fast Connection

Expect fast charges and quick data transfers with Keyla. You will have your devices back up to full power in no time*. Or swiftly transfer data such as documents, videos and photos. *Supports fast-charging with up to 3A power

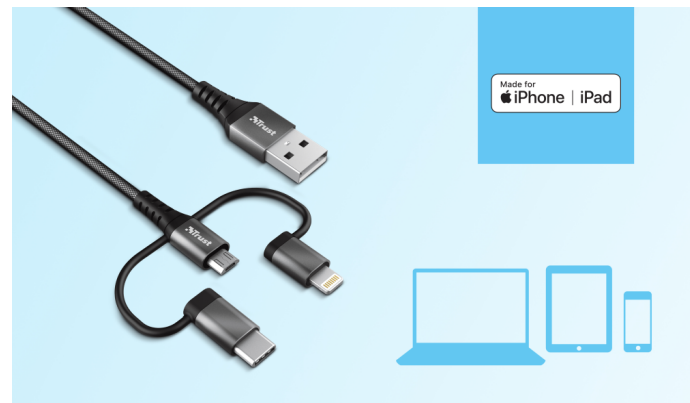

Built to Last

With an aluminium housing and reinforced cable, the Keyla is built to last. The aramid cable design is tested to last over 13.000 bends, so don't worry about breaking this one.

Perfectly Compatible and Apple Certified

The Keyla Extra-Strong 3-in-1 USB To USB-C / Micro-USB / Lightning Cable is Apple certified and provides seamless compatibility and a steady connection between the USB connector and your devices.
