### No More Excuses

Training is better to a soundtrack. Wherever your training takes you, the Trust Usan Sports Wireless Earphones will go too. They're your trustworthy sports buddy, and as they withstand a rainy day with their waterproof design, there can be no more excuses.

### Sports Proof

The Trust Usan Sports Wireless Earphones secure firmly over your ears, allowing you to move around freely while the earphones stay in place. The wireless design, soft silicone over-ear hooks, and earbuds which come in 3 different sizes, give you a personalised and comfortable fit, leaving you to jump, sprint and dance without a worry.

### Hours of Music Listening

Train for as long as you like; the Usan is ready for hours of music. You can enjoy your music on the go with 6 hours of playtime on a single charge.

### Control and Connect

Skip a track or boost the volume; you can easily control all important functions via the inline remote. No need to take your phone out of your pocket. Want to quickly update the home front when your training is done? Just use the voice assistant and the built-in microphone to start calling.
