

#23602

Suporte de telemóvel para a grelha de ventilação do carro

Suporte universal para smartphones que se fixa facilmente na grelha de ventilação do seu carro

Características principais

- Compatível com praticamente todos os smartphones (de 65 a 90 mm de largura e até 19 mm de espessura)
- Robusto design rotativo em borracha que se encaixa nas grelhas de ventilação mais comuns de qualquer carro
- O encaixe expansível fixa em segurança o seu smartphone, mesmo com capa
- Ideal para navegar, ouvir música e fazer chamadas em modo mãos-livres
- Não interfere com a visibilidade da estrada
- Total acessibilidade a todos os botões e conetores do smartphone

O que está na caixa

- Suporte de carro para smartphone

Requisitos de sistema

- Smartphone com largura entre 65 e 95 mm (até 19 mm de espessura)

IDEAL FOR
NAVIGATION

HORIZONTAL &
VERTICAL USE

FITS 65 - 95MM
WIDE PHONES

MADE FOR
AIR VENTS

Safely Secured

With the Trust Runo Air Vent Car Phone Holder you can keep your smartphone safe and secure whilst driving. The holder plugs into your car's air vent and firmly holds your smartphone (with or without a case) so you have a clear view on your phone's screen.

Phone Solution

The Runo is compatible with virtually all smartphones (width 65-95 mm; up to 19mm thick) and offers an all-round solution to phone placement whilst driving. The expandable grip firmly holds your smartphone, even with its case on.

Eyes on the road

Thanks to its adjustable angle, the car holder can rotate 360°, so you can safely navigate and listen to music. All smartphone buttons and connectors are accessible, giving you a clear view of, and access to, your screen. As the holder is not attached to your window, it grants you a full view of the road.

Clip and Go

The sturdy holder design easily clips onto most car air vents, and a padded grip keeps your phone scratch-free. At the end of your journey, you can easily detach your phone. What's more, its ultra-compact size makes it easy to store or take with you.

GERAL

Main material	ABS	Device size (in inches)	6.0
Height of main product (in mm)	45 mm	Width of main product (in mm)	75 mm
