Versatile Business Headset

Designed for business calls, the HS-100 is a versatile headset with quality sound and convenient features whilst being comfortable to wear. The headset can be used with all major conferencing software, including Teams, Skype and Zoom, and its adjustable, sensitive microphone ensures clear speech.

Lightweight and Adjustable Fit

The HS-100 is a comfortable wear, to support you during even the longest of meetings. Its lightweight and adjustable design ensures wearing comfort and a personalised fit for every wearer.

Easy to Use

The HS-100 can be used with any laptop or PC thanks to the included audio cable and Y-adapter for PC. Simply plug in the 3.5mm audio cable and enjoy freedom of movement during your business calls. The cable also features a handy dial for quick volume control.
