"All in all a great piece of kit for the price and the kids love it!"

## FIESTA PRO SPEAKER

■ 21216

This is a fabulous product, great sound with separate bass and treble knobs, very portable with a sturdy handle. Comes with a good microphone for singing along with your favourite tracks or karaoke tunes!

Great for BBQ's as this can be taken out into the garden. Very large slot along the top which houses your iPad/tablet easily even with your case still attached, it has a usb connector so you can charge your phone/tablet/iPad whilst it plays with your charger cable.

All in all a great piece of kit for the price and the kids love it! ( and the adults :- )
